There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. A great many years doctors pronounced it a local disease, and by constantly failing to cure with local treatment, pronounced it incurable. This has proven caused to be a constitutional disease, and therefore requires constitutional treatment. Hair's Catarrh Cure, manufactured by E. J. Cheaney & Co., Toledo, Ohio, is the only safe remedy. It is entirely in doses from 10 drops to a teaspoonful. It acts directly on the blood and nervous surface of the system. They offer one hundred dollars for any case it fails to cure. Send me a specimen and instructions.

Address, E. J. CHEANEY & CO., Toledo, Ohio.

Take also a Family Plan for constitution.

Business Courtesy.

The adage, "Courtesy costs nothing," would, if true, offer sufficient reason to insure its observance by practically every member of the commercial community; it being fairly obvious to most of us that courtesy is an excellent lubricant for the machinery of business, however, requires a very considerable expenditure of mental effort, which very few of us are capable of sustaining at all times.

Where Votes Are Bartered.

"Do you have crativity in your campaign?" "Some," replied the political boss. "Just enough to enable the people who vote our way to give some sort of an excuse for it."
